**ATE TOADSTOOLS; ONE  
DEAD; TWO VERY ILL**

CHARLESTON, W. Va., May 10.—  
One man is dead, another at the point  
of death and a third seriously ill, as a  
result of eating what they thought  
were mushrooms. Lewis W. Couch, a  
member of a prominent family, died  
this afternoon. P. A. Donovan, dealer  
in electric and gas supplies, was last  
night at the point of death and a  
Greek restaurateur, whom Couch and  
Donovan had asked to prepare the  
mushrooms as they wanted them pre-  
pared, and who also ate some of them,  
is in a serious condition.

Couch gathered what he thought  
were mushrooms, but instead he  
gathered some toadstools, and the  
men are believed to have been poi-  
soned by them. The mushrooms were  
served with meat and eaten Tuesday  
night.

Couch is survived by three children  
his wife having died several years ago.  
The announcement of Donovan's wed-  
ding has been out for some time, and  
is set for the 25th.

## MEXICAN REBELS BATTING FEDERALS

OROZCO'S MEN IN FRONT OF TOR-  
REON READY TO BEGIN BIG  
BATTLE.

AT THE REBEL FRONT, NEAR  
BERMEJILLO, Mex., May 10.—Skir-  
mishing between the vanguard of Gen-  
eral Orozco's army and the Federals,  
under General Huerta, raged for  
hours yesterday through a storm of  
wind and dust on the desert plains in  
front of Torreon the objective point  
of the rebels.

Operating from Escalon as a base,  
where General Orozco and his staff are  
stationed, the Liberal forces continued  
to tighten their cordon around the  
heavily garrisoned and fortified Fed-  
eral outposts at Bermejillo and Ma-  
pimi, both less than twenty miles from  
Torreon.

Though there was much skirmish-  
ing, no battle had been fought up to  
5 o'clock last evening, the Federals re-  
fusing to be drawn from their strong  
positions. There was hardly an hour  
in the day that the Liberals did not  
feint at some point to coax the Fed-  
erals out into the open.

In the meantime General Orozco be-  
gan to get his men into positions  
where his artillery could support them.

## CITY LEAGUE IS FOUNDED

FAIRMONT FANS WILL HAVE OP-  
PORTUNITY TO SEE BASEBALL  
HERE THIS SUMMER.

Last evening at the Y. M. C. A.  
building on Fairmont avenue, the fol-  
lowing named gentlemen, representing  
their respective organizations, met and  
agreed to form a city league. Those  
present were: Y. M. C. A., W. S. Slater,  
manager; Fairmont Mining Machine  
company, Lou Hunt manager; M. W. S.  
Company, Robert Morrison, manager;  
Watson Building, G. C. Bitter; New  
England Athletic Club, C. D. Thomp-  
son manager; and after some little dis-  
cussion those present elected the fol-  
lowing named gentlemen as officers of  
the league: F. W. Rapp, president and  
treasurer; G. C. Bitter, secretary. The  
board of directors will consist of the  
officers and the team managers.

Much necessary business was gone  
over, and a schedule arranged for the  
season to start May 18, and to end July  
25, each team to play a total of 10  
games.

The games as now arranged will be  
played on Tuesdays, Thursdays and  
Saturdays, the games on Tuesdays and  
Thursdays to begin at 6 p. m., while  
the Saturday games will start at 3:30  
p. m.

It was decided to charge an admis-  
sion of 10 cents for each game, this to  
defray the team expenses, and to as-  
sist in equipping the teams with uni-  
forms and accessories.

In the absence of any other organi-  
zed league within this city should make  
this one a winner, and owing to the  
excellent players who will play on the  
team, all who witness the many games  
are assured of some warm contests.

## STATE CONVENTION

OF MERCHANTS TO BE HELD  
IN WHEELING IN AUGUST.  
PREPARATIONS BEING MADE  
FOR BIG EVENT.

WHEELING, W. Va., May 10.—Let-  
ters were mailed yesterday from the  
local headquarters of the Retail Busi-  
ness Men's Association of West Vir-  
ginia calling attention to the annual  
State convention which is to be held  
in this city commencing August 12  
and lasting for several days follow-  
ing. Secretary William Schwertfeger,  
of the State association, is sending  
out these letters urging the imme-  
diate election of delegates by the vari-  
ous city associations throughout the  
State.

A campaign for membership is to  
precede the annual meeting, in an at-  
tempt to double the size of the asso-  
ciation before the convention and to  
put the merchants in a position to as-  
sume their proper importance before  
the semi-centennial year.

A number of important matters are  
scheduled to come up before the an-  
nual convention, chief among which is  
the work of outlining the programme  
for legislation. The business men are  
preparing to submit a number of im-  
portant changes in the State laws to  
the next session of the legislature.
